

LINDA SVENSSON EDEVINT

SWEDISH DESIGN

Chances are pretty big that you have one of Linda's designs in your home. She has designed for IKEA, Klippans Yllefabrik, Horredsmattan, Ekelund Weavers and many others. Recently she has done a brand new textile collection for the famous Swedish TV chef Tina Nordström. Linda also works together with many Japanese companies that are attracted by her graphic and organic patterns. Linda's designs are characterized by exciting graphical patterns and a stable color selection.
